Melbourne Art Fair's new design salon, FUTUREOBJEKT, showcases 20 Australian studios, including Adam Goodrum, Christopher Boots, Don Cameron and Tom Fereday. Twenty Twenty is showing limited-edition pieces by Marc Newson, Gio Ponti and more (above image shows Roslyn Bathi weaving, courtesy of MACAC) and Zachary Frankel (below) is displaying his sculptural furniture.

Celebrate Lunar New Year – and the arrival of the Year of the Fire Horse – with a little gift to self in spirited scarlet. This wool and cashmere sweater has a subtly glamorous sequinned motif; the elegant Whitney bag was designed in collaboration with Renzo Piano Building Workshop; and the leather horse keyring couldn't be cuter. They're all luscious, luxe – and lucky, too.

There could be no more perfect place for a party: Baz Luhrmann and Catherine Martin have designed *Celia*, a train carriage for the British Pullman by Belmond that's a private dining and events space. The movie magicians' design, which houses a bar, lounge and dining area, was inspired by *A Midsummer Night's Dream*.

Now travellers will actually want to arrive early at Sydney Domestic Airport. Icebergs Bar & Kitchen has landed, bringing a breath of Bondi cool to the departure lounge. Designed by Lazzarini Pickering Architects, the space is perfect for a long, multi-course lunch, or you can simply drop in to Icebergs Caffè To Go to grab a coffee and a Sonoma pastry.
